

Wisconsin Small Business Grant Update

In the June 11th update that you received from us, we inadvertently stated the application starting date as Monday, July 15th, when, in fact, the application is accessible starting today, Monday, June 15th through Sunday, June 21st.

Remember, there will be a review process for eligibility once the application period has closed.

As always, if there is anything we can do to help, please do not hesitate to reach out to our office. We are committed to helping our small business clients through this time.
